Royal Astronomical Society of Canada
Renewal Notice: Your RASC membership
expires in 7 days

Dear {{firstName}},

Your {{site_name}} membership will expire in 7 days. We'd love to keep you as a member of our society and be part of your astronomical journey.

In the past we have provided members with a two month "grace period" for renewal after expiry, allowing members more time to mail-in cheques. As most of our members now pay online via credit card we have decided to remove the grace period. Effective September 15th, 2025 all members whose memberships have expired will need to contact the National Office to have their membership reactivated. Therefore, you must renew your membership before September 15th to maintain continuity.

We appreciate your continued support of Canada's largest network of amateur astronomers.

Membership & Publication Coordinator
